

Concert and Sight-Reading

- The requirement for a school to enter a varsity music ensemble when participating in concert and sight-reading evaluation for the 2020-21 school year has been waived. When completing the registration process with the music region, each school may declare the status – varsity, non-varsity, or sub-non-varsity - of each band, choir, and orchestra ensemble that participates in concert and sight-reading evaluation.
- For the 2020-2021 school year the prescribed music list requirements and sight-reading levels have been [adjusted](#).
